

Washington Trails Association's
Hike-a-Thon 2025

Get Out. Give Back.

This year, **538 people** and **94 teams**
participated in Hike-a-Thon ...

... and **1,932 donors** supported
their efforts.

Together, you raised a record-breaking
\$247,113 for trails and public lands!

Thank you to everyone who helped
make this year's Hike-a-Thon a huge
success!

Hike-a-Thon participants hiked an impressive **10,426 miles!**

That's like walking on almost every one of Washington's 11,700 miles of trails on federal public land.

Hike-a-Thon participants climbed an astounding **1,412,974 feet** of elevation during August!

That's the equivalent of more than 2,500 trips to the top of the Space Needle.
